About Jewellery Connect Patna 2022

Following the tremendous success of Jewellery Connect'21, Delhi Jewellery & Gem Fair'21 & Hyderabad Jewellery Pearl & Gem Fair'21 across various cities pan India, Informa Markets as a powerful succession is launching its biggest and most unique jewellery exhibition in Patna, Bihar. With a rich legacy, East India, has been at the center of cultural reforms throughout the pages of history. Creativity, an art appreciated by many, mastered by few, breaths in and out through Patna's traditional designs of Hansulis, Kamarbands, Chokers, Polkis, Kundan, Chandrarhar & more. Admirers of the crafty art of jewellery making have long vouched for the mastery of the craftsmen (karigars) of Bihar and Patna has been at the forefront in setting the tone for defining the future trends of these spell binding adornments for the east of India.

Jewellery Connect Patna aims at creating avenues for the jewellery fraternity of Bihar, West Bengal, Jharkhand, Chhattisgarh, UP, Nepal to assemble & explore unique artisanal masterpieces & forge valuable business connections. Defining the trends of tomorrow, setting the pace of business and forging new alliances, Jewellery Connect Patna will be at the forefront of business matchmaking with a definition of par excellence.

A vast community of serious B2B visitors, carefully curated list of VIP buyers, hand-picked manufacturers & a platform matching none other, experienced never before and open only to the inner sanctum of the community, Jewellery Connect Patna awaits your presence & participation!

We have been participating in Informa Markets jewellery exhibitions in Delhi and Hyderabad over the years for business expansion and always witnessed great response. This is the best trading platform to find new buyers and network with existing customers. Through Jewellery Connect Patna we are focusing on business for all seasons of the years and highlighting on Akshay Tritiya and marriage season. Look forward to seeing you in the Patna exhibition for great deals.
